Dear Candidate,

On behalf of New Yorkers for Parks and the Parks 2009 Advisory Committee, we are launching a campaign to support parks and the quality of life of all New Yorkers.

Enclosed is a candidate survey that addresses key parks issues, through which we'll learn more about your vision for our city's parks, playgrounds and open spaces. **Please take the time to thoroughly respond to the issues on the attached questionnaire.**

This candidate survey will help to inform the public about parks related issues and policies. Questions are both direct and open ended, so please circle "yes" or "no" when asked and take the time to answer the question as completely as possible in the space provided. If more room is needed to adequately address these issues, please feel free to attach additional pages when resubmitting the survey.

Answers to this survey will be featured in the **Parks Voter Guide**, which will be released to the public and the press shortly before the Primary election. In some cases we may use excerpts or summaries from your answers. They will be made available on our website, www.ny4p.org, and upon request to the public and the press.

To ensure that your views are included, please return the questionnaire to:
